Good morning,

DDPHE has executed a new contract for our downtown clean up contractor to replace Custom Environmental Services. Can we please get \$100,000 encumbered under this contract for our cleanup efforts for the rest of the year. Let me know if you need anything from me.

Thank you!
Charlotte

Good Afternoon Marty,

Please see attached for the now executed Cleanup Contract. Now that this is finalized I will be issuing the Notices to Proceed tomorrow with work to begin next week (Monday) as we have planned with both Solid Waste and Parks crews.

Charlotte and Bob—see attached also for your files. The contract will be setup in Workday soon for request for encumbrances with EHS for both of your programs—I will let you know when that happens officially.

Thanks all—looking forward to a good and productive working relationship on this contract scope.
